Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Palmdale Sanitary Sewer Improvement Project in Fiscal Year 2025. The entity to receive funding for this project is the County Sanitation District No. 20 of Los Angeles County, located at P.O. Box 4998, Whittier CA 90607. The funding would be used to rehabilitate several miles of aging sanitary sewers that are at risk of failure to prevent structural damage, sinkholes, and sewage spills. This project is an appropriate use of taxpayer funds because it will repair the aging water infrastructure that threatens the safety of my constituents and the environment of my district.

The project has a Federal nexus because the funding provided is for purposes authorized by 33 U.S.C 1381.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Garcia
Member of Congress
