The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Saugus High School Roadway Safety Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Santa Clarita, located at 23920 Valencia Blvd Ste 300, Santa Clarita, CA 91355. The funding would be used to improve traffic and pedestrian safety at Saugus High School by installing curb extensions and upgrading crosswalks with high visibility markings. This project is an appropriate use of taxpayer funds because it will improve public safety and protect students, faculty, staff, and neighboring communities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Garcia  
Member of Congress
