April 26th, 2021

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Sequoia Avenue Railroad Grade Crossing Upgrade project in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Simi Valley and the project is located in Simi Valley, California. The funding is designated for upgrading of a rail crossing with additional safety measures at Sequoia Avenue and Los Angeles Avenue.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: This crossing will be the last rail crossing in the City to be upgraded with additional safety measures and will allow the City to apply for "quiet zone" designation which will improve quality of life for residents and businesses.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Garcia", written in a cursive style.

Mike Garcia
Member of Congress
