Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Sun Village Community Resilience Project in Fiscal Year 2025. The entity to receive funding for this project is the County of Los Angeles Department of Public Works, located at 900 S. Fremont Ave, Alhambra, CA 91803. The funding would be used to improve the flood resiliency of an important thoroughfare in my district. This is a valuable use of taxpayer funds because it will improve the long-term resilience of road infrastructure within the Little Rock Creek watershed—increasing the accessibility and safety of transportation infrastructure within the East Antelope valley communities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Garcia  
Member of Congress
