Dear Chair DeFazio and Ranking Member Graves:

I am requesting additional funding for Environmental Infrastructure assistance for (f)(93) Los Angeles County, CA in the Water Resources Development Act of 2022. The project sponsor will be SCV Water Agency, and the completed Environmental Infrastructure projects will be in the Santa Clarita Valley, located in California's 25<sup>th</sup> District.

The purpose of this project is to provide an increased authorization of appropriations for Environmental Infrastructure. This project is an appropriate use of taxpayer dollars and will be used to assist with project costs associated with testing and treatment of PFAS chemicals and help SCV Water continue providing safe and reliable water to households in the 25th District of California.

I certify that neither I nor my immediate family has any financial interest in these projects.

Sincerely,

Mike Garcia  
Member of Congress
