The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Antelope Valley Paratransit Operations and Maintenance Facility (Lancaster, CA) Project in fiscal year 2024. The entity to receive funding for this project is Access Services, located at PO Box 5728 El Monte, CA 91734. This funding would enable the construction of a permanent facility for a paratransit service serving all of Los Angeles County. This is an appropriate use of taxpayer funds because it will ensure that all residents have access to public transit regardless if disability.

The project has a Federal nexus because the funding provided is for purposes authorized by Chapter 53 of Title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
