The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations,  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the S-Wells PFAS Treatment and Disinfection Facilities (Phase I) project in fiscal year 2024. The entity to receive funding for this project is the Santa Clarita Valley Water Agency, located at 27234 Bouquet Canyon Road, Santa Clarita, CA 91350. The funding would be used for restoring local groundwater supplies, to treat PFAS contamination at multiple wells. The project is an appropriate use of taxpayer funds because it will improve the availability of safe drinking water in a historically drought prone state.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Garcia  
Member of Congress
