Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Child and Family Center Rehabilitation Project in fiscal year 2024. The entity to receive funding for this project is Child & Family Center, located at 21545 Centre Pointe Parkway Santa Clarita, CA 91350. Requested funding would rehabilitate the building of a local community organization that provides essential family services in coordination with local schools, law enforcement, and hospitals. This is an appropriate use of taxpayer funds because it will allow for the provision of critical social services to low-income and economically disadvantaged families throughout the region.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
