Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the College of the Canyons Advance Technology Center in fiscal year 2022. The entity to receive funding for this project is the Santa Clarita Community College District (College of the Canyons), located at 26455 Rockwell Canyon Road Santa Clarita, California 91355.

The funding would be used to purchase equipment for a state-of-art CNC production lab that includes both simulation machining centers and full production type machining centers to prepare students for stackable industry-recognized credentials to demonstrate the necessary skills for workforce readiness as they work toward degree attainment.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Garcia", with a stylized, cursive script.
