The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the College of the Canyons Advanced Technology Center in Fiscal Year 2025. The entity to receive funding for this project is Santa Clarita Community College District, located at 26455 Rockwell Canyon Road Santa Clarita, CA 91381. The funding would be used to develop and construct a world-class Advanced Technology Center (ATC) at College of the Canyons. This project is an appropriate use of taxpayer funds because it will train a new generation of Americans in high-skill trades needed to fuel the booming industrial and commercial economy.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Garcia

Member of Congress
