Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Henry Mayo Newhall Sheila R. Veloz Breast Center for Breast Health Equipment Initiative in fiscal year 2022. The entity to receive funding for this project is Henry Mayo Newhall Hospital, located at 23845 McBean Parkway Valencia, CA 91355.

The funding would be used to purchase a state-of-the-art Mammography Machine. The mission of HRSA is: To improve health outcomes and address health disparities through access to quality services, a skilled health workforce, and innovative, high-value programs. This initiative will help achieve that goal. The Santa Clarita Valley is a growing and diverse. The growth has led to challenges in delivering effective and efficient health care to the region. This initiative will help address those disparities and ensure effective access to quality health care and a skilled workforce.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
