Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the SR-14 (SR-138) Avenue M Interchange Project in surface transportation reauthorization legislation.

The project sponsor for this project is the North Los Angeles County Transportation Coalition and the project is located in Lancaster, California. The funding is designated for improvements to the Columbia Way (Avenue M) Bridge over SR-14 between 10th Street West and 15th Street West.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: Expands interstate commerce along SR-14 (SR-138) and provides connectivity along Avenue M, a local arterial connector that provides mobility to Plant 42, local civilian employers, and county and local government.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Garcia".
