Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Quick Fix Circulation Improvement Project in surface transportation reauthorization legislation.

The project sponsor for this project is the North Los Angeles County Transportation Coalition and the project is located in Santa Clarita, California. The funding is designated for modifying existing medians, striping, and asphalt throughout the city of Santa Clarita.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improve traffic safety, traffic circulation, and reduce motorists' delays at signalized locations and roadways throughout the City of Santa Clarita, modify center medians to accommodate triple left-turn pockets, right-turn lane extensions, and early access to left-turn lanes.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Garcia", with a stylized, cursive script.
